

# Greenstock Day! Woodstock Recycles

## Saturday, April 22

Please join us as Woodstock continues its journey to “Go Green”!  
**Reuse ~ Repurpose ~ Recycle ~ Rethink ~ Reduce**

### **Recycle Event 9 am – 1 pm Woodstock Elementary School – 230 Rope Mill Rd.**

The City of Woodstock, Waste Management, Secure Recycling, USAgain, and Georgia Document Destruction bring you a day of recycling! Visit our website for all acceptable items. Sorry no paint, oil or chemicals! **Drive through, we'll unload for you!**

### **Electronics - Cell Phones - Batteries**

All equipment will be broken down by Secure Recycling and processed so it can be re-used, thus lessening demands on local landfills and keeping toxins from leaking into our soil and waterways! **All collections will be done free of charge, with the exception of crt TV's and crt monitors which require a fee of \$10. Projection Wood TV's \$25 and LCD Monitors with a Broken Screen \$5.** Cell phones will be collected for the *Cell Phones for Soldiers Program*. Each donated cell phone provides a soldier overseas with 60 minutes of prepaid calling service so they may phone their families back home.

### **Compact Fluorescent Light Bulbs - Hearing Aids - Eyeglasses - Magazine/Newspaper**

Light bulbs must be in a clear plastic, sealed bag. We can **no longer** accept the long tubular style of fluorescent light bulbs. Home Depot stores will accept compact fluorescent light bulbs all year long!

### **Clothing - Shoes - Belts - Hats - Bedding - Towels - Curtains - Purses - Backpacks**

We have teamed up with USAgain to recycle textiles which will reduce land fill waste, emission gasses, and save water.

### **Document Destruction**

**Georgia Document Destruction** will be on site to shred all of your confidential documents. There will be a limit of 5 boxes per car. For business shredding service, please call Georgia Document Destruction at 770-516-6500.

### **City Wide Yard Sale All weekend! See website for detailed map!**

The Great American Cleanup organizes millions of volunteers in activities that encourage individual stewardship for the environment and care for the community. Efforts in litter prevention and removal, waste reduction, recycling, beautification, and community greening result in cleaner, greener, safer and more beautiful public spaces. In conjunction with Earth Week, residents are encouraged, city-wide, to hold yard sales! Please remove signs immediately following your sale, reuse next year!

#### **North Woodstock**

"The City of Woodstock and the Woodstock Parks and Recreation Department are committed to year-round recycling and sustainability initiatives. The City's Community Development Department conducts energy audits of all City facilities and works with local businesses to be more sustainable.

The City-wide yard sale has gained in popularity each year. It gives everyone a chance to spring clean and host individual and community yard sales. People have told us that they look forward to it every year. It gives them a chance to meet their neighbors and make a little extra cash before the summer." - *Preston Pooser, Director*
